Welcome to Klovborg

We eat GMO soya

What about organic?

What is GMO?

WE DO NOT WANT IT
- IT IS THE FUTURE!

What do we do today?

We use round-up

Isn't it nice?

What if...

Omega-3
Better protein

B.R.I.K.

BRASIL
RUSSIA
INDIA
CHINA

Rice in China

A lot of countries outside EU work with GMO

Possibilities

- **INSECTS**
- **HERBICIDES**
- **OPTIMIZING OF PROTEIN**
- **WATER / DROUGHT**

**YOU ALWAYS MAKE A
CHOICE**

We survive

- Because we have decided to!
